Wipes, Anti-Bacterial	2		2					
Ziplock Bags, Sandwich Size	X							
Dress for the weather - preschoolers go outside whenever possible. Please remember that even if the forecast								
says hot, the mornings can still be chilly (this is especially true in spring), so please remember to send a jacket or								
sweater.								
Wear comfortable shoes. Please do not send your child in "flip flops" (because they make running difficult and								
leave the feet vulnerable to injury), or sandals (because the child spends most of the recess time trying to pick								
rubber from the playground out of the shoes).
